Hear All Day Anywhere  
for our First Generation Implants

1

## All day on a single battery charge

The Chorus rechargeable battery was designed to give you the confidence to go all day on a single charge, **so you don't have to worry** about inconvenient battery changes.

## Go anywhere with the Protective Case

CHORUS CLIP

CHORUS PROTECTIVE CASE

With Chorus you can enjoy “waterproof” hearing through the use of Chorus Protective Case. You can now **hear and stream music while swimming** and go anywhere in environments with excessive water, mud and dirt. Chorus also comes with a clip that allows comfortable access to the controls, and the possibility of detaching the battery without removing the clip.

## Excellent speech understanding in noise

Chorus' **integrated Roger™ Technology** provides outstanding performance in noise and over distance<sup>1,2</sup> by wirelessly transmitting a speaker's voice directly to the listener. There are different Roger microphones available for different listening situations and lifestyle. They all help you hear better in the most challenging environments.
