

# Naída CI Sound Processor and Accessories

## 5 YEAR CORE SYSTEM LIMITED WARRANTY

Advanced Bionics, LLC (referred to as AB) warrants to the purchaser of a new Naída CI Sound Processor and accessories that the Naída CI processor is free from defects in workmanship and materials for a period of 60 months from the date of initial processor fitting.

AB further warrants to the purchaser of a new Naída CI Sound Processor that the following items have the accompanying warranty:

Naída CI	Warranty Period	Naída CI	Warranty Period
Naída CI Sound Processor*	5 years	Clip	1 year
UHP*	5 years	AB myPilot	1 year
RF Cables*	5 years	ComPilot	1 year
T-Mic 2*	5 years	Power Adapter	1 year
PowerCel Charger*	5 years	AAA Battery Pak	1 year
PowerCel	1 year	Power Adapter Cable	1 year
Zn-Air Battery Pak	1 year	Travel Case	1 year
Earhook	1 year	Carrying Case	1 year
Listening Check	1 year		

The exclusive remedy for breach of this warranty is: (a) repair or replacement of the defective sound processor module or headpiece with a functionally equivalent AB replacement product, or (b) at AB's option, full credit equal to the original purchase price of the defective sound processor module or headpiece to be applied towards the purchase of a new replacement component. Note: replacement sound processor module may be provided from refurbished processor stock.

AB expressly disclaims all implied warranties, including but not limited to the warranties of merchantability and fitness for purpose. Any accessory item not included in the chart above is warranted for a period of three (3) months from initial processor fitting (or time of purchase if purchased separately).

Product claims under AB's Limited Warranty are subject to the following conditions and limitations:

1. The product registration card must be completed and returned to AB within 30 days of initial fitting or receipt of the product in order to receive the benefits of this warranty.
2. The sound processor module or headpiece that is the subject of the warranty claim must be returned to AB (or its authorized agent) within 15 days after discovery of the defect.
3. AB must be able to confirm the sound processor module or headpiece failure.
4. This warranty specifically excludes defects caused by: (a) fire, floods, lightning, natural disasters and other calamities commonly defined as "Acts of God;" (b) accident, misuse, abuse, negligence, water damage as a result of improper use, improper fitting or connecting of components or failure to operate the sound processor or headpiece in accordance with the manufacturer's instructions; (c) wear and tear resulting in cosmetic or exterior damage; (d) attempts to repair, maintain, or modify the equipment by the customer or any third party not authorized by AB; (e) performance problems caused by attachment of any component of a Naída Sound Processor System to any equipment or device not supplied by AB without the prior approval of AB; (f) cable breakage (appropriate care should be taken to prevent forces from damaging cables); (g) battery cell depletion, which may occur during the warranty period and is not considered a defect in workmanship or material—rechargeable batteries have a specified capacity, which may deplete at different rates depending on the settings used and failure to recharge as specified in the operator's manual (Note: Rechargeable batteries should be used promptly after receipt, should not be stored for future use, must be periodically recharged and must be kept within temperature range).
5. For a replacement sound processor or headpiece, the warranty will run only to the end of the warranty period for the original component that was replaced.

### Outside the United States

The terms and conditions of this warranty limitation may be different in each country depending on applicable local legal rights.
